

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dennis Williamson on 12/02/2009.

The application has been amended as follows:

Claim 8 line 13 has been changed from "a recess formed in the outwardly facing portion of the rim wall and positioned to coincide only with the first curved wall section" to, --a recess formed in the outwardly facing portion of the rim wall and positioned in the first wall section--.

Also the limitation of claim 13, "Wherein the first curved wall section is devoid of a handle having a grip opening", has been added at the end of claim 8.

Claim 13, has been canceled.

Also, Claim 24, appeared twice in the claims, the second claim 24, has been changed to claim 30.

These changes were made to define the instant application over the prior art of record and pass the application on to issuance.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to SHAWN M. BRADEN whose telephone number is (571)272-8026. The examiner can normally be reached on Mon-Friday 9-6:30 est.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anthony Stashick can be reached on (571)272-4561. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
